To,
The AOG Volunteers,

Respected Sir / Ma'am,

My best regards to you. I hope you must be fine. You are aware of all my noble activities; that I have been doing relentlessly for the last 32 years for the betterment of the people in the society.

Art of Giving (AoG) is one of the best flagship programs which I have been propagating since 17th May 2013 to spread the message of peace, happiness, harmony and friendship among the people in the society. It is being celebrated in 110 countries by my fans and followers.

It was decided to celebrate the **11th Anniversary of Art of Giving** on a different mode with the theme LET'S AOG on 17th June 2024. It will be celebrated among one and all for general people in any form like sharing of food, study materials for students, any gift item, etc. with the aim to spread the message of friendship, peace, happiness and harmony of AOG. Even one can have breakfast /lunch/ dinner with 20/30/40/50/100 among near and dear ones, friends, known persons on 17th June 2024 and spread the message of AoG. This act of AoG can be celebrated on 17th June 2024 in hotels/ restaurants/ parks.

You are requested to submit the name and number of places where AoG will be celebrated by 30th May 2024. On the day of AoG celebration, the number of persons participating in the AoG program with their database (name and contact number) should also be submitted at the AoG headquarters Bhubaneswar, India. The AoG objective should be read out amongst the members participating in AoG celebration.

On that meeting, message of AoG may be shared and if possible videos of AoG may also be played. You as the President / Convenor / Volunteer of AoG of your country / place may celebrate as per the above on **17th June (Monday)**.

Thanking you,

With kind regards,

(Achyuta Samanta)
